

# Lifelong Learning Centre Ipodomi

## Program of activities

2022-2023	Sunday	<p><b>Arrival</b> in Thessaloniki airport and arranged pick up by Ipodomi's representative heading for check in to a central city hotel and provided information about the city of Thessaloniki and the region (plans, city maps, etc.).</p> <p><b>Ipodomi Lifelong Learning centre (Egnatia 100, 54623, Thessaloniki, contact person: Mrs. Eleni-loanna Sinani)</b></p> <p>Welcome event for the participants at the premises of the <b>Lifelong learning centre Ipodomi</b>. Acquaintance with the host organization and its contributors.</p> <p><b>Introduction</b> to the program, initial guidelines and description of how the schedule is developed. Conducted interviews with the participants, division of them into groups and distribution of each group to companies where the practical training will take place.</p>
2022-2023	Monday	<p><b>9.00-15.00: ( All groups) Practical training at:</b> <b>- Olympia electronics S.A. (60 km of national road Thessaloniki - Katerini )</b></p> <p>Founded in 1979, Olympia Electronics S.A. is the market leader in the Greek electronic safety and security industry. The company is active in developing innovative electronic safety and security systems by using state of the art technology.</p> <p>The participants will be acquainted with the industrial areas of the company and they will be informed of the hygiene and safety rules' standards. They will practice on printed circuits of fire panels and anti-thefts and on the analysis of these circuits by an amplifier. The trainees will also practice on the accurate determination of electronic equipment fittings used in the production line. They will learn, through practice, to be innovative and to use technology in order to create smart electronic products that will be used in the fast-evolving daily life. They will also get trained in manufacturing emergency lighting with LEDs.</p>

		<p><b>17.00-19.00: Cultural visit</b></p> <p><b>Archaeological Museum of Thessaloniki</b></p> <p>Visit and guided tour at the most important place of culture of Macedonia</p>
2022-2023	Tuesday	<p><b>9.00-15.00 Practical training at:</b></p> <ul style="list-style-type: none"> <li>- (Group 1) DEDDIE A.E. (Ag. Dimitriou 37 Str.,PC 54630, Thessaloniki)</li> <li>- (Group 2) Iosifidis Konstantinos (Ag. Dimitriou 42 Str., PC. 54630)</li> </ul> <p>The participants will practice on air-condition service, the indoor and outdoor unit of an air-condition unit, the inverter technology and learn different performance improvement techniques.</p>
2022-2023	Wednesday	<p><b>9.00-15.00 Practical training at:</b></p> <ul style="list-style-type: none"> <li>- (Group 1) DEDDIE A.E. (Ag. Dimitriou 37 Str.,PC 54630, Thessaloniki)</li> <li>- (Group 2) Iosifidis Konstantinos (Ag. Dimitriou 42 Str., PC. 54630)</li> </ul> <p>The participants will practice on hygiene and safety rules in the working environment (uniform, hardhats, special shoes, gloves). They will get trained in reading and designing building diagrams (the similarities and differences between industrial and residential design, the symbols used, where low-medium-high voltage is needed etc).</p> <p><b>17.00-19.00: Cultural visit</b></p> <p><b>Ataturk's Museum</b></p> <p>Visit to the house where Mustafa Kemal Ataturk, the founder of Turkish Republic, was born.</p>
2022-2023	Thursday	<p><b>9.00-15.00 Practical training at:</b></p> <ul style="list-style-type: none"> <li>- (Group 1) DEDDIE A.E. (Ag. Dimitriou 37 Str.,PC 54630, Thessaloniki)</li> <li>- (Group 2) Iosifidis Konstantinos (Ag. Dimitriou 42 Str., PC. 54630)</li> </ul>

		<p>All the new buildings in Greece must be Zero Energy Buildings. Taking that into consideration, the students will get trained in designing internal and external lighting of a building that uses minimum energy. They will learn, through practice, how to use renewable energy sources (solar, wind) to accomplish their aim.</p>
2022-2023	Friday	<p><b>9.00-15.00 Practical training at:</b>  - (Group 1 ) DEDDIE A.E. (Ag. Dimitriou 37 Str.,PC 54630, Thessaloniki)  - (Group 2) Iosifidis Konstantinos (Ag. Dimitriou 42 Str., PC. 54630)</p> <p>The participants will practice on refrigerator service. They will be able to recognize and focus on the appliance's problem, to find the appropriate spare part or fix the existing one.</p>
2022-2023	Saturday	<p><b>Visit at Vergina and King Phillip's II tomb</b>  Visit and guided tour at the Museum and the Archaeological site of Vergina</p>
2022-2023	Sunday	<p><b>White Tower</b>  Visiting the trademark sightseeing of the city, learning about its history during the centuries.</p>
2022-2023	Monday	<p><b>9.00-15.00 Practical training at:</b>  - (Group 1) Topouzidis Christoforos (79 Eptapyrgiou Str., 56626, Sykies, Thessaloniki)  - (Group 2) Iosifidis Konstantinos (Ag. Dimitriou 42 Str., PC. 54630)</p> <p>The participants will practice on industrial electrical installation. They will get trained in the industrial automations and installations: they will learn how to design, construct and install the industrial equipment, having in mind the minimizing of the company' expenses and the optimization of the company's produce, as well as the energy saving policy.</p> <p><b>17.00-19.00: Cultural visit</b></p>

		<p><b>Thessaloniki Museum of Photography</b></p> <p>The Thessaloniki Museum of Photography is the only museum of the country devoted to the art of photography, supervised by the Ministry of Culture and Sports and every two years it organizes an international photography festival.</p>
2022-2023	Tuesday	<p><b>9.00-15.00: (All groups) Practical training at:</b></p> <ul style="list-style-type: none"> <li>- <b>ADMIE S.A.(Kiriakidi Stilponos Str., P.C. 54636, Thessaloniki)</b></li> <li>- <b>HEDNO S.A. (Hellenic Electricity Distribution Network Operator) (Ag.Dimitriou 37 Str., PC 54632, Thessaloniki)</b></li> </ul> <p>Knowing that Thessaloniki is a town of 1.5 million inhabitants, the demands on electricity must be met. The students will practice on the operation and maintenance of the electrical power distribution network. They will also get trained in system operation maintenance and in controlling the energy sharing in the network.</p>
2022-2023	Wednesday	<p><b>9.00-15.00 Practical training at:</b></p> <ul style="list-style-type: none"> <li>- <b>(Group 1) Topouzidis Christoforos (79 Eptapyrgiou Str., 56626, Sykies, Thessaloniki)</b></li> <li>- <b>(Group 2) Iosifidis Konstantinos (Ag. Dimitriou 42 Str., PC. 54630)</b></li> </ul> <p>The participants will practice on placing distribution tables, on choosing and placing the right power safety switch (depending on the electrical device it is meant for) and on placing anti-electrocution switch. They will learn, through practice, about the international and Greek standards of structure wiring and they will get trained on placing electrical outlets.</p> <p><b>17.00-19.00: Cultural visit</b></p> <p><b>Pasha’s Gardens</b></p> <p>Tour at Pasha’s Gardens, also known as “Dragonhouses”. With their mystical aura, they are one of the biggest enigmas of the city and cause admiration with their beauty and charm.</p>

2022-2023	Thursday	<p><b>9.00-15.00 Practical training at:</b></p> <ul style="list-style-type: none"> <li>- (Group 1) Topouzidis Christoforos (79 Eptapyrgiou Str., 56626, Sykies, Thessaloniki)</li> <li>- (Group 2) Iosifidis Konstantinos (Ag. Dimitriou 42 Str., PC. 54630)</li> </ul> <p>The participants will practice on assembling the various parts of burglar alarm systems, of hotel access control systems and of card switches (RFID), according to the construction plans, and control their operation.</p>
2022-2023	Friday	<p><b>9.00-15.00 Practical training at:</b></p> <ul style="list-style-type: none"> <li>- (Group 1) Topouzidis Christoforos (79 Eptapyrgiou Str., 56626, Sykies, Thessaloniki)</li> <li>- (Group 2) Iosifidis Konstantinos (Ag. Dimitriou 42 Str., PC. 54630)</li> </ul> <p>The trainees will practice on installing emergency lights in the staircases and the emergency exits of a building. They will also install electrical fire tables and connect them with the electrical and the fire system of the building.</p> <p><b>17.00-19.00 on Friday:</b>  <b>Ipodomi Lifelong Learning centre (Egnatia 100, 54623, Thessaloniki, contact person: Mrs. Eleni-Ioanna Sinani)</b></p> <p><b>Program evaluation</b></p> <p>Each participant will be evaluated by the responsible person of the program in cooperation with the accompanying teachers, taking into account the evaluation by the companies where the practical training took place.</p> <p>Reviewing of activities and assessment of the project. Discussion and evaluation of how useful were its contexts. Discussion about the advantages gained by the students aiming to the better access in the labor market.</p> <p>Conferment of certificates.</p>

		<b>Farewell event with the all the contributors of the program.</b>
17 October 2020	Saturday	<b>Farewell and departure</b>
